# Operations Center - Products

How to add new products and archive old products

1 Navigate to Operations Center

2 Select "Products: Manage varieties, chemicals, fertilizers and tank mixes" under "Setup"

## Removing Old Products

3

Check the box next to the products the user wishes to remove

The screenshot shows the 'Products' section of a software interface. At the top, there are tabs for 'Varieties', 'Chemicals', 'Fertilizers', and 'Tank Mixes'. Below the tabs is a search bar and several filter buttons: 'Crop Type', 'Brand', 'View Archived', and 'Filters'. A table lists various crop varieties. The checkbox for the variety 'AG24X7' is circled in green, indicating it is selected for removal.

<input type="checkbox"/>	Name ▲	Crop Type ⇅
<input type="checkbox"/>	730-43AM - Test	Corn
<input checked="" type="checkbox"/>	AG24X7	Soybeans
<input type="checkbox"/>	AG0735	Soybeans
<input type="checkbox"/>	AGEXP39X	Soybeans
<input type="checkbox"/>	CatNip	Catnip
<input type="checkbox"/>	CSX 59A16 SS	Corn

4

Select "Archive." These products can be brought back from the archived list if used again in the future.

The screenshot shows the 'Products' page with a table of crop varieties. The 'Archive' button in the top right corner is highlighted with a green box. The table lists various crop varieties with columns for Name, Crop Type, Brand, and Date Updated. The variety 'G24X7' is highlighted in green in the table.

# Adding New Products

5 In the "Products" tool, Select "Add"

## 6 Select "Products"

The screenshot shows the 'Operations Center' interface for 'Brandon Ludwig' at 'Kingland Farms'. A '+ Add ^' button is highlighted, and its dropdown menu is open, showing 'Products' and 'Tank Mix' options. Below the menu is a table with columns 'Brand' and 'Date Updated'.

Brand	Date Updated
Curry Seed	Mar 31, 2021
Asgrow	Feb 22, 2022
Asgrow	Mar 31, 2021
BECK`S HYBRIDS	Jan 17, 2023

## 7 Type in the name of variety or chemical the user would like to add.

The screenshot shows the 'Add Products' dialog box in the John Deere interface. A search bar is highlighted with a green box, containing the text 'Search for Products'. The dialog also features filters for 'Category', 'Type', and 'Brand', and a '0 Selected' indicator. The background shows a list of product varieties.

Search for products to add to your organization.
