

A student technician in a light blue shirt is working on a large industrial machine in a workshop. The machine is complex with various components, pipes, and a large circular opening. The technician is focused on the task, with his hands near the machine. The background shows other industrial equipment and a well-lit workshop environment. The entire image has a dark green overlay.

About Midwest Machinery

Midwest Machinery Co. (MMC) is a fast-growing, family-owned John Deere dealership with 29 locations throughout Minnesota and western Wisconsin.

MMC understands its continued success is dependent on its people - finding the best, growing the skills of current employees, and providing opportunities for career achievement for everyone in the organization.

Our Values

KEEP IT SMALL-TOWN.

We approach our work with family and the local community in mind. We strive to stay humble, sincere, and relational in all that we do.

GET THE JOB DONE. HAVE FUN DOING IT.

When it's time to work-we work. When we're done-we call it a day and we enjoy our family and friends.

SAY WHAT YOU MEAN. MEAN WHAT YOU SAY.

As a team we always strive to be respectful and communicate with transparency. We consider our word to be our bond.

OWN YOUR WORK.

We take ownership of our work in everything from our mistakes to our successes, and we never pass the buck. We always look for opportunities to grow and to better ourselves and others around us.

Midwest Machinery Employment

We're committed to a highly competitive pay system, an outstanding benefits package, ongoing skill and knowledge development, and personal growth for every employee. MMC provides a unique work environment - one where everyone can have a positive impact on the company, our customers, and each other.

While committed to growth, it is not at the expense of workplace quality or relationships. We offer a close, family-like feel where all employees can thrive.

- **Compensation** | Competitive pay with incentives to earn even more
- **Healthcare and Wellness** | Variety of healthcare choices with a free individual medical plan option along with dental, vision, paid life insurance, disability coverage, and more!
- **Retirement** | Company plans offered for all eligible employees
- **Training** | Numerous opportunities for all employees
- **Annual Tool Allowance** | Up to \$1,000 to replace personal tools or work boots
- **Paid Time Off** | Along with bereavement and jury duty pay
- **Volunteer Hours** | To support employees engaged in their community
- **Employee Discounts** | For products and service at the dealership
- **Manager's Club** | Recognition for employees that have been with MMC for 25+ years
- **MMCVIPP** | Monthly peer-nominated award presented to an employee who goes above and beyond in their role while upholding MMC's values.
- **Education Reimbursement Program** | Expenses are reimbursed in equal amounts each pay period up to the IRS maximum allowed.
 - 100% cost of tuition
 - 100% cost of books
 - 100% cost of mandatory fees
 - 100% cost of on-campus housing fees and meal plans
 - Up to \$7,500 toward required tools

Education Opportunities

John Deere Ag Tech Program

The John Deere Ag Tech Program earns you a two-year associate's degree. The program balances classroom theory, hands-on lab work, and a paid internship at Midwest Machinery. You'll cover John Deere diesel engines, powertrains, hydraulics, and machine set-up systems in-depth. You'll become proficient with high-tech electronics, computer diagnostics, and proprietary John Deere systems.

Local schools with this program are North Dakota State College of Science and Northeast Iowa Community College - information about these programs is included here.

General Diesel Programs

We welcome students who are interested in general diesel programs at other accredited schools as well, including:

- Alexandria Technical and Community College
- Central Lakes College
- Dakota County Technical College
- Hennepin Technical College
- MN State Community & Technical College
- Northwood Technical College
- Ridgewater College
- Riverland Community College
- St. Cloud Technical and Community College
- South Central College
- Southeast Technical College
- Southwest Tech
- And many more!

To learn more, talk to your local MMC dealership or contact
Human Resources at HR@mmcjd.com or 320.252.2010

NORTH DAKOTA STATE COLLEGE OF SCIENCE

800 Sixth St. N. Wahpeton, ND 58076 | 800.342.4325 | www.ndscs.edu

About North Dakota State College of Science

The North Dakota State College of Science is a comprehensive, associate degree-granting college founded on a tradition of quality and integrity. We deliver learner-focused education through a unique and evolving collegiate experience. Using innovative delivery strategies, NDSCS anticipates and responds to statewide and regional needs by providing access to occupational/technical programs, transfer programs, and workforce training.

Mission Statement

NDSCS: The Science of Learning by Doing.

Vision Statement

NDSCS will be the leader in delivering comprehensive technical education in partnership with industry and community while fostering a dynamic learning environment to empower students' success in today's ever-changing world.

Values

BELONGING

- We believe in creating an inclusive and supportive college community. We strive to ensure that all community members feel safe, supported, welcome, and comfortable sharing their thoughts, ideas, and concerns.
- We recognize the importance of building relationships and understand that they are the foundation of a thriving community.
- We foster a continuous learning, respect, and trust culture where everyone's unique perspectives and contributions are valued and embraced.

INTEGRITY

- We are committed to upholding a powerful sense of ethical principles and moral values in all that we do.
- We believe in conducting ourselves with honesty, accountability, transparency, professionalism, and fairness.
- We strive to create a culture where compassion and kindness are not only valued but actively practiced.

GRIT

- We commit to embodying resilience, passion, and positivity when faced with challenges, knowing they are opportunities for growth and development.
- We are dedicated to working hard and persevering in pursuing bold goals, pushing the boundaries of what is possible.
- We believe our innovation and resourcefulness drive us to continuously seek new ways to serve our students and adapt to the evolving needs of education.

Housing Accommodations

All first-year students are required to live on campus, unless the student meets an approved exemption outlined in NDSCS's On-Campus Living Policy.

- Residence Halls – ndscs.edu/current-students/residential-life/residence-halls
- Apartments – ndscs.edu/current-students/residential-life/apartments

Admission Requirements for John Deere Tech Program

- Complete an application for admission at ndscs.edu/apply
- Secure a John Deere dealer sponsor – start by completing an internship application via mmcjd.com/careers

About Northeast Iowa Community College

Northeast Iowa Community College (NICC) serves eight counties in northeast Iowa and surrounding areas. Offering academic programs of study in a variety of disciplines, in addition to online and blended learning, customized business and industry training, short-term certification options and adult education and literacy, the College is committed to affordable, high-quality education and training to ensure the growth and vitality of northeast Iowa.

Mission Statement

Northeast Iowa Community College provides in-demand education and training focused on improving lives, driving business success and advancing community vitality.

Vision Statement

Northeast Iowa Community College will be the premier source for in-demand education, workforce training and partnerships, through innovative thinking and talent development.

Values

SERVICE

We listen, identify and respond to the needs and expectations of our internal and external communities.

RESPECT

We show consideration for one another and encourage diverse perspectives to build trust, cooperation and accountability.

STEWARDSHIP

We use our resources in a responsible, impactful and sustainable manner.

INNOVATION

We foster the development and advancement of ideas through individual and team creativity.

INTEGRITY

We are ethically accountable to ourselves and others.

RESILIENCY

We learn from our experiences, refocus and seize the opportunity to improve and persist.

Housing Accommodations

NICC does not offer college-owned dorms or apartments, but local businesses share rental information to assist with the housing search – nicc.edu/campus-life/housing. Students are encouraged to research and investigate for themselves all housing options in the area.

Admission Requirements for John Deere Tech Program

- Complete an application for admission at nicc.edu/admissions/apply/
- Secure a John Deere dealer sponsor – start by completing an internship application via mmcjd.com/careers

How to Apply for an Internship

A paid internship at Midwest Machinery is where all your classroom time comes together. At Midwest Machinery, you will learn from experienced service technicians and assist real customers. You'll put all you know about diesel engines, powertrains, electronics, and diagnostics to work. You'll learn you really can fix a machine with a laptop as well as a wrench. And you'll discover how your skills affect everyone you come into contact with, from customers to coworkers.

Are you ready to grow your career? Apply for an internship today!
